VARIATIONS

Amended Eurostar services may run on and around public holidays and for engineering works. It's a good idea to check when you book and before travelling.

WHEN TO ARRIVE AT THE STATION

When travelling to or from Disneyland® Paris, the French Alps or to Lyon and the South of France, it's a good idea to arrive at the station at least 60 minutes before departure.

On your way home from Lyon or the South of France we'll be doing security and passport checks later in the journey at Lille Europe. But we strongly recommend that you allow plenty of time to arrive at the station and get to the platform from where your train departs.

CONNECTIONS TO LYON AND THE SOUTH OF FRANCE THROUGH LILLE EUROPE

On days when Eurostar services to and from Lyon, Avignon and Marseille aren't running or are fully booked, you can still get there and back by catching a local high-speed train from Lille Europe station. Trains run regularly every day and making your connection there is simple – all you need to do is change platforms.
